Object: Margherita Salvador - Interpretation for UNPO Event

The Unrepresented Nations and Peoples Organization (**UNPO**) decided to rely on the interpretation services of Ms Salvador for one of our most important events of the year which was the conference held on 19 October 2017 at the European Parliament to present and celebrate the establishment of the Uyghur Friendship Group formed by 17 Members of the European Parliament, most of which were present in person at the event.

After this first collaboration, we can state that we are very happy and satisfied about the choice we made and we found in Ms. Salvador a professional with whom it is very easy to work.

Ms Salvador pays lot of attention to the needs of her clients both before and during the interpretation. We were particularly impressed by her efforts to familiarize with minority rights and in particular with the case of the Uyghur community to make sure she would be well equipped to understand the debate.

For these reasons, we plan to continue this collaboration in the near future and we definitely recommend her services.

Best regards,

The UNPO Secretariat
